

HIVE

Waterproof Bluetooth Speaker
with Power Bank Function

Introduction

Hive breaks all convention with its plethora of features that include a power bank to charge any of your digital devices, TF card slot, FM Radio, 3.5mm line-in and Bluetooth 4.0 for superior CD quality sound. Created with the fashionista in mind, Hive's beehive grill is available in different colors to match your décor. Stay connected with friends, no matter what you're doing with its built-in conference speakerphone features that let you answer, end, reject or control the volume on your calls. Use it indoor or outdoor, as it's dust and splash resistant – perfect for your next pool party. What's more, Hive streams music from most devices, ensuring the party keeps going rain or shine.

Features
